

The Medical Group at
Montefiore | **St. Luke's Cornwall**

SURGICAL SPECIALTIES

The Medical Group at Montefiore St. Luke's Cornwall was founded in 2011 as a multispecialty group to serve the health care needs of our community. Our highly trained physicians offer a broad spectrum of care, including specialty surgeries. We offer personalized treatment and supportive care before and after your surgery so that you feel as comfortable and confident as possible with your medical procedure.

We use the latest technology to ensure that your procedure is minimally invasive, and your recovery is as short as possible. Depending on your condition, we may use laparoscopic surgery, which features tiny cameras inserted through small abdominal incisions. In other cases, your surgeon may operate a robot for incredibly precise treatment with shorter recovery time and optimal outcomes. Your Medical Group specialty surgical provider will create a customized plan and review it thoroughly before your procedure.

Begin your journey to feeling better and living well by contacting us today. To learn more, please visit:

OUR PROVIDERS

DIANA LINETSKAYA, MD

PLASTIC AND RECONSTRUCTIVE SURGERY

Dr. Linetskaya is a plastic surgeon who specializes in both cosmetic and reconstructive surgery.

Although Dr. Linetskaya performs a wide variety of services, she has a particular interest in breast reconstruction, breast reduction and aesthetic breast surgery. Dr. Linetskaya obtained her medical degree at State University of New York Downstate School of Medicine and completed her Plastic and Reconstructive Surgery Training at Montefiore Medical Center, Albert Einstein School of Medicine. Dr. Linetskaya is Board Certified by the American Board of Plastic Surgery.

Specialties:

- Aesthetic and Reconstructive Breast Surgery
- Body Contouring
- Botox & Facial Fillers
- Facial Rejuvenation
- Excision of both Benign and Malignant Skin Lesions
- Repair of Facial Lacerations

OUR PROVIDERS

VADIM MEYTES, DO

BARIATRIC AND GENERAL SURGERY

Dr. Meytes is a bariatric surgeon trained to offer minimally invasive/robotic hernia repair, gallbladder removal, acid reflux surgery, and bariatric surgery including gastric bypass and sleeve gastrectomy. Early in his surgical training at NYU Langone Hospital-Brooklyn, he recognized a growing need to offer the highest level of care in the most minimally invasive approach for various diseases. Since 2017, Dr. Meytes has been providing quality surgical care to communities in the Hudson Valley.

Specialties:

- Sleeve Gastrectomy
- Gastric Bypass
- Hernia Surgery
- GERD Management
- Disease Management (Biliary Tree Diseases)

PAUL REICHMAN, MD

GENERAL SURGERY

Dr. Paul Reichman is a general surgeon who received his medical degree from Albert Einstein College of Medicine. He has been in practice for more than 25 years.

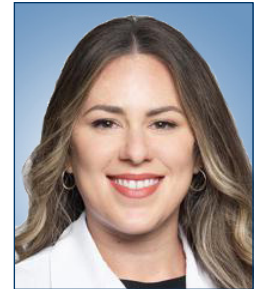

Specialties:

- Gall Bladder Surgeries
- Hernias
- Breast Surgery
- Lipomas
- Colon Resections
- And Many More General Surgery Options

OUR PROVIDERS
